2 G.O (Ms)No. 13/2020/IDMD Dated 26/03/2020

ORDER

The Lock down imposed in the country to contain the corona virus outbreak has affected the supply of certain essential items. Therefore, vide the Govt Order read as second paper above , some industrial activities including production and transportation of essential things like food stuff, medical supplies etc. have been exempted from the lock down.

2. Govt have since received a proposal for allowing production/ manufacture of rubber/ latex hand gloves, as they are essential commodities for the use of medical personnel who are the front line workers, fighting the CORONA VIRUS infection.

3. This matter has been examined in detail and it is hereby ordered that, only industries producing rubber/ latex hand gloves are exempted from lock down, subject to the strict adherence to the conditions laid down in the guidelines issued by the government of India and State Government in this regard.

This is not applicable for all rubber -based industries.
