Sir,

Sub: Department of factories and Boilers- Covid19 Action plan-
Inspection of Boilers-reg.

Ref: Letter dated 26/03/2020 of Technical Advisor (Boiler), Ministry of
Commerce and Industry, Govt. of India.

In view of the prevailing lockdown in the country to protect common people from COVID19 it is not possible to inspect the Boilers whose validity of certificates has been expired across the state of Kerala.

In this scenario Boilers may be allowed to be operated as per section 8 of the Boilers Act 1923 without Inspection for a period upto 3 months.

The officers of the department should advise the Owner of the Boiler to ensure safe operation of the Boilers.

A compliance mail (directorate.fab@kerala.gov.in) has to be forwarded by the divisional Inspectors to this office within three days from the date of this letter.

Yours faithfully

DIRECTOR OF FACTORIES & BOILERS
