Dated: 31.12.2021

**CIRCULAR NO: 24/2021**

Sub: Safety Award 2021 - reg.

Applications are invited for Safety Award 2021 from those factory managements who followed best safety practices in their factories, during the year 2021 (application form and category list are enclosed). The applicants should apply through online and after submitting the same take printout of the duly filled application and submit along with supporting documents before the Inspector/Additional Inspector, under whose jurisdiction the factory is situated, on or before 15.01.2022. The Joint Director of Factories and Boilers shall collect all the applications scrutinized by the Inspector/Additional Inspector in their region along with remark sheet and forward the same to the Director of Factories and Boilers on or before 19.01.2022. Department is also planning to issue grading certificates to the factories based on different safety performance parameters during the year 2021. All Inspectors/Additional Inspectors are requested to inform the factories to apply for grading certificates through their user login and forward the online grading application to this office with their comments after communicating the same to the District committee formed by the Government.
